Celebrating Europe's Biotechnology Industry!

The “**10th European Biotechnology Science & Industry Guide 2020**” – the handbook that presents the strengths and core competencies of companies and institutions in the fields of Biotech, Biopharma, BioServices and BioManufacturing in Europe – will be released at the BIO-Europe 2020 in Paris. Thousands of delegates can pick up their free copy at the media corners and at our BIOCUM booth. The guide will also be available as a digital version.

Circulation worldwide Print & Digital!

Release at the
BIO-Europe Spring 2020
21 February 2020
