Euro BioFairs Compass

Get on Board!

Nothing but the relevant events!

From partnering to scientific congresses, from product shows to technology offerings – an impressive number of life sciences fairs and congresses are scheduled for the Winter 2019/Spring 2020 conference season. Euro BioFairs Compass identifies the events that could impact your business. Whether you're looking for a licensing partner, need financing or just want to find out more about the latest developments in diagnostics or R&D equipment or digitalisation you'll find everything you need to know about what each highlight provides in this Euro BioFairs Compass – part of the European Biotechnology Magazine.

Present your event, conference or fair!

European Biotechnology Magazine offers a unique format for presenting your event to decision makers throughout the European life sciences sector. The Euro BioFairs Compass special presents insights into the relevant meetings, and is tailored to spark the interest of key players in both business and academia. So get on board, and take this perfect opportunity to target your audience with a double-pager and get your message across!
