Autumn 2026

SPECIAL

Invitation

to participate in the Spain special in the European Biotechnology Magazine on the occasion of BIOSPAIN in Bilbao.

- Host of BIOSPAIN 2026 in Bilbao
- Multi-page special feature in European Biotechnology Magazine
- Exclusive special discounts for partners from Spain

Knowbio as Media Partner to BIOSPAIN 2026

On the occasion of BIOSPAIN 2026 from 29 September to 1 October in Bilbao, EBM will be publishing a multi-page special feature on biotechnology in Spain in its 3/2026 issue. This will also be included in the digital edition and the associated magazine website, and will be advertised in newsletters prior to BIOSPAIN 2026. Take advantage of this opportunity to draw attention to your projects, products and services at exclusive special rates.

Special rates for advertisements (also possible in combination with guest contributions) and advertorials – only valid for this special in this issue of EBM!

2/1 pages: instead of €5,000: **€4,200**

1/1 page: instead of €3,400: **€2,900**

1/2 page: instead of €2,000: **€1,500**

1/3 page: instead of €1,500: **€1,200**

Prices for inserts, supplements and other special formats available on request.

Advertisement deadline: **10 Sept. 2026**

Publication date: 24 September 2026

Print Circulation: 10,000

Online Circulation (PDF): 19,000

Media partner events:

BIOSPAIN (Bilbao), BIO-Europe (Cologne), Biotech Summit Austria (Innsbruck), Pharmalab (Darmstadt), and many more.
